Terms and Conditions

This is a legally binding agreement between the client(s) (Bride & Groom) as detailed on page 1, and Digital Weddings.

1. If choosing our photography package Digital Weddings will photograph your wedding day for up to eight hours and will provide a minimum of 300 high resolution images on disc. If choosing our video package Digital Weddings will video the client's wedding, edit the footage and supply copies on dvd to the client.
2. The client will pay a deposit to retain Digital Weddings to perform services specified herein. The deposit is non-refundable. The client will pay Digital Weddings the balance of the fee on the day of the wedding by the latest.
3. Digital Weddings retain all copyright for images created and shall have the exclusive right to make reproductions.
4. The clients will provide food and drink to the photographer/cameramen if coverage spans across lunch or dinner hours. The client shall make sure that the employees of Digital Weddings are treated in an appropriately respectful and sober manner by their guests.
5. The edited photographs will be delivered to the client within one month of the wedding day. The edited film will be delivered to the client for approval within one month. If the client fails to contact Digital Weddings in order to approve a final edit of their wedding video for a period of six months or longer then Digital Weddings will no longer be obliged to provide an edited copy of the film to the client.
6. If Digital Weddings cannot perform this Agreement due to fire or other casualty, strike, act of God, illness, or other cause beyond its control, Digital Weddings may substitute other competent videographers to film the clients wedding or Digital Weddings will return the clients fee with no further liability with respect to the Agreement.
7. Overtime is charged at £50 per hour for all photography and videography packages. Once the agreed hours have been covered on the day of the wedding additional hours are charged at £50 per hour for all photography and videography packages.
